Zwickau, 21. November 2022

### **Certificate for Mr Tokobaev**

Dear Sir or Madam,

in the course of the establishment of a scientific cooperation between the University of Applied Sciences Zwickau (WHZ) and the International Kuwait University as well as the development of the shared module "Web3 – Basic Concepts and Applications", Mr Nurlan Tokobaev, Ph.D. followed our invitation and spent the week from 14th of November until 19th of November 2022 at the Faculty of Business and Economics of WHZ.

On Tuesday, 15th of November 2022, Mr Tokobaev gave a curricular lecture in English on the topic "The Role of Artificial Intelligence in achieving of Food Safety" within the scope of the module "Web3 – Basic Concepts and Applications".

We would like to thank Mr Tokobaev for his commitment and look forward to our future cooperation.

With kind regards

Prof. Dr. Matthias Richter  
Dean  
Faculty of Business and Economics
